

HISTORY TRANSITION WORK

SUMMER TASK FOR STUDENTS STARTING SEPTEMBER 2024

We look forward to seeing you in our Humanities Department this September!

PLEASE COMPLETE THE FOLLOWING TASK:

Using the link below, read the two blog posts about Stalin and refer to one of the books on the list to create your own interpretation of Stalin. You will need to write your own interpretation of Stalin that includes, quotations regarding different perspective of Stalin and his role in the Soviet Union, why historians have different interpretations of history measuring who created the interpretation, what the interpretation is and its purpose, where the authors are from/reside, when the interpretation is created with context from the time.
