

A Level Art & Design- 3D Design : SUMMER HOLIDAY INDUCTION TASK

As part of the A Level you will study layout and presentation in a variety of ways and approaches. You will be required to produce some practical work examples during the summer holiday. This will be part of the enrolment requirement and you will be expected to bring it with you to your first lesson.

Practical Task:

You are required to observe and take a series/ multiples of photographs of at least four NATURAL FORMS and then draw them.

These can be in the same series of your chosen NATURAL FORMS.

“Remember Natural Forms are anything that occur naturally in the world we live in and have not been interrupted by Humans”.

1/ Keep these photographs saved on your phone and you will then make a contact sheet with these once you start in September.

2/ Complete 6-8 observational drawings of these natural forms either from the original source or your photographs. Use different mediums and Papers for these drawings
